

Rails - Tikka T1X - MDT - Rails - 40 MOA - Tikka T1X

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's Scope Base Picatinny Rails are a precise and reliable solution when it comes to mounting a scope on your bolt action rifle.

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 30 MOA incline providing additional elevation adjustment from your scope*. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature.

MDT Rails Tikka T1X Safety Instruction Guide

Introduction

Thank you for choosing the MDT Scope Base Picatinny Rails for your Tikka T1X rifle. This guide provides essential safety instructions and guidelines to ensure the safe installation and use of your product. Please read this guide carefully before use to maximize safety and performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to mount a scope on a boltaction rifle.
- Always handle firearms with care and follow standard safety practices when using or handling your rifle.
- Inspect the product for any signs of damage or wear before installation and use.
- Keep the product out of reach of children and unauthorized users.
- If you are unsure about the installation or use of the product, seek assistance from a qualified gunsmith or professional.

Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before attempting to install or adjust the scope rail.
- Do not exceed the manufacturer's specifications for mounting optics on the rail.
- Ensure that all screws and fasteners are tightened securely to avoid any movement or instability during use.
- Be aware of the recoil when firing your rifle, and ensure that the rail is designed to handle the recoil forces associated with your specific rifle model.
- Regularly check the rail and scope for any signs of loosening or damage after use.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Gather the necessary tools, including a torque wrench, screwdriver, and any other tools recommended by the manufacturer.
2. **Unloading the Rifle:** Ensure that the rifle is completely unloaded. Doublecheck the chamber and magazine.
3. **Positioning the Rail:** Align the MDT Scope Base Picatinny Rail with the mounting holes on the receiver of the Tikka T1X rifle.
4. **Securing the Rail:**
 - Insert the screws provided with the rail into the mounting holes.
 - Use a torque wrench to tighten the screws to the recommended torque setting specified by the manufacturer.
5. **Checking Alignment:** Ensure that the rail is mounted flush against the receiver and that there are no gaps.
6. **Mounting the Scope:** Follow the manufacturer's instructions for mounting your scope onto the Picatinny rail.

Usage Instructions

- Once the scope is mounted, perform a visual check to ensure that everything is securely attached.
- Test the scope alignment by aiming at a target and adjusting as necessary.
- After installation, always check the rail and scope for stability and security before each use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal recycling.
- If the product is damaged beyond repair, ensure it is disposed of in a way that prevents it from being used improperly.

Contact Information for Further Support

For any safety inquiries or assistance regarding the MDT Scope Base Picatinny Rails, please refer to the product packaging or your retailer for the appropriate contact information.

By following these guidelines, you can ensure a safe and effective experience with your MDT Scope Base Picatinny Rails. Always prioritize safety and seek professional help if needed. Thank you for your attention to these important instructions.
