# MDT Sun Shirt Hoodie Safety Instructions

## Introduction

Thank you for choosing the MDT Sun Shirt Hoodie. This product is designed to keep you cool and dry while providing comfort and protection from the sun. To ensure your safety and the safety of others, please read and follow the guidelines outlined in this document.

## General Safety Guidelines

- Always inspect the product for any damage or defects before use.
- Keep the product away from open flames and high heat sources.
- Do not use the product in situations where it could become entangled in machinery or moving parts.
- Ensure that the product is suitable for the intended use and environment.
- If you experience any allergic reactions or skin irritations while using this product, discontinue use immediately and consult a healthcare professional.
- Store the product in a cool, dry place away from direct sunlight when not in use.

## Specific Safety Precautions for Use

- This product is made from lightweight polyester and is designed for adult use.
- Avoid wearing the product when engaging in activities that require heavy physical exertion, as it may not provide adequate ventilation.
- Do not expose the product to harsh chemicals or solvents, as this may damage the material.
- Be cautious when wearing the product in wet conditions, as it may become slippery.

## Instructions for Installation and Usage

### 1. Wearing the Hoodie:

- Put on the hoodie by placing your arms through the sleeves and pulling it over your head.
- Ensure that the hoodie fits comfortably without being too tight or restrictive.

### 2. Care Instructions:

- Machine wash the hoodie in cold water with similar colors.
- Do not bleach or use fabric softeners, as these may damage the material.
- Tumble dry on low heat or hang to dry to maintain the fabric's integrity.

### 3. Sun Protection:

- While the hoodie is designed to provide some protection from the sun, it is advisable to apply sunscreen to exposed skin for additional protection.

## Disposal Instructions

- When the product reaches the end of its life cycle, dispose of it in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling it if possible to minimize environmental impact.
