

# MEPRO FORESIGHT™ -INNOVATIVE AUGMENTED REFLEX SIGHT

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

These revolutionary new optical sights provide superhuman situational awareness with a real-time data feed in your field of view, including a leveler, compass heading, and more. Bluetooth connectivity creates radical efficiencies like instant access to more than 20 reticles and up to 10 personal firearm profiles, while our DoubleShoot™ App provides automatic digital zeroing when you upload an image of your target, key performance data, and more. It's the missing link of intelligence between marksman and machine. The only thing missing is you.

# MEPRO FORESIGHT™ Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO FORESIGHT™ Augmented Reflex Sight. This innovative product is designed to enhance your shooting experience with advanced features. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this document.

## General Safety Guidelines

- Ensure safe handling and storage of the product.
- Be aware of potential hazards associated with the use of optical sights.
- Follow all local laws and regulations regarding the use of firearms and optical sights.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for updates on product recalls and safety alerts through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always verify that your firearm is unloaded before attaching or adjusting the sight.
- Do not look directly into the sight when it is not mounted on a firearm.
- Avoid using the sight in adverse weather conditions that could impair visibility.
- Ensure that the sight is securely mounted before use to prevent accidents.
- Use the sight only for its intended purpose and in accordance with the manufacturer's instructions.
- Regularly inspect the sight for damage or wear and replace if necessary.

## Instructions for Installation and Usage

### Installation

1. Ensure that the firearm is unloaded.
2. Select the appropriate mounting location on your firearm.
3. Align the sight with the mounting rail or base.
4. Secure the sight using the provided mounting hardware.
5. Check that the sight is firmly attached and does not move.

### Usage

1. Power on the MEPRO FORESIGHT™ by pressing the designated button.
2. Adjust the brightness of the reticle to suit your lighting conditions.
3. Use the Bluetooth connectivity to access additional features, such as reticle selection and personal firearm profiles.
4. Utilize the DoubleShoot™ App for automatic digital zeroing by uploading an image of your target.
5. Regularly practice using the sight to become familiar with its features and capabilities.

## Disposal Instructions

- Follow local regulations for the disposal of electronic devices.
- Remove the rechargeable battery before disposal, if applicable.
- Do not dispose of the product in regular household waste.
- Consider recycling options for electronic waste to minimize environmental impact.

## Contact Information for Further Support

For any safety inquiries or support regarding the MEPRO FORESIGHT™, please refer to the manufacturer's

website or contact their customer service department.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MEPRO FORESIGHT™ Augmented Reflex Sight. Stay safe and responsible while using this advanced technology.
