[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot Fixed Pistol Set Safety Instructions

## Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set. This product is designed to enhance your shooting accuracy in various lighting conditions. Please read this safety instruction guide carefully to ensure safe and effective use of your night sights.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms securely and out of reach of children.
- Wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Regularly inspect your firearm and sights for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- Ensure that the sights are installed correctly before use. Improper installation may lead to misalignment and inaccurate shooting.
- Do not attempt to modify or alter the sights beyond the recommended installation procedures.
- Use only approved cleaning solutions and methods to maintain the sights. Harsh chemicals may damage the selfilluminating components.
- Avoid exposing the sights to extreme temperatures or conditions that may affect their performance.
- If you notice any malfunction or failure of the sights, discontinue use immediately and seek professional assistance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing sights from your firearm using appropriate tools.
- Align the Tru Dot sights with the mounting points on your firearm.
- Securely fasten the sights in place according to the manufacturer's instructions.
- Verify that the sights are properly aligned before use.

### 2. Usage

- Familiarize yourself with the sighting system. The Tru Dot model utilizes three solid dots for aiming.
- Practice aiming and shooting in safe environments to become accustomed to the sight picture.
- Adjust your shooting stance and grip as necessary to accommodate the sight configuration.
- Always ensure that you are in a safe environment before discharging your firearm.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tru Dot Fixed Pistol Set, please refer to the manufacturer's website or contact their customer service department. It is important to have access to support for any safety inquiries or product issues.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Tru Dot Fixed Pistol Set. Thank you for your commitment to safety and responsible firearm use.
