[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot FIXED PISTOL SET H&K P7M8&M10 Safety Instructions

## Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET H&K P7M8&M10. This product is designed to enhance your shooting experience by providing superior aiming capabilities in various lighting conditions. To ensure safe use and compliance with safety regulations, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a sighting system for handguns.
- Always handle firearms with care and follow all safety protocols when using or installing sights.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- If you notice any irregularities in performance, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the sights.
- Do not attempt to modify the sights beyond the recommended minor modifications for installation.
- Avoid exposing the sights to extreme temperatures or harsh chemicals that could affect their performance.
- Use the sights only in conditions for which they are designed (daylight, lowlight, and nighttime).
- Be aware that improper installation may result in decreased accuracy or safety hazards.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Firearm:** Ensure the firearm is completely unloaded. Remove any ammunition from the vicinity.
2. **Remove Existing Sights:** Carefully remove the existing front and rear sights from your firearm using appropriate tools.
3. **Install Tru Dot Sights:**
  - Align the new Tru Dot sights with the mounting points on your firearm.
  - Secure the sights in place, ensuring they are firmly attached.
  - Make minor adjustments as necessary to achieve the desired alignment.
4. **Final Check:** After installation, doublecheck that the sights are securely mounted and properly aligned.

### Usage

- Familiarize yourself with the sighting system during daylight conditions before using it in lowlight or nighttime situations.
- Practice aiming with the three solid dots to enhance your instinctive shooting capabilities.
- Regularly practice shooting to maintain proficiency with the new sights.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.
- If the product is damaged or no longer functional, ensure it is disposed of safely to prevent any potential

hazards.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tru Dot FIXED PISTOL SET H&K P7M8&M10, please refer to the manufacturer's contact information provided with your product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Tru Dot FIXED PISTOL SET H&K P7M8&M10. Always prioritize safety and compliance with regulations while enjoying your shooting activities. Thank you for your attention to these important guidelines.
