

Tru Dot FIXED PISTOL SET H&K P2000,P2000SK G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET H&K P2000, P2000SK G/G Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for your H&K P2000 or P2000SK. This guide provides essential safety instructions to ensure the safe and effective use of your new night sights. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Ensure safe use of the Tru Dot sights by following these guidelines:
 - Always treat your firearm as if it is loaded.
 - Familiarize yourself with the operation of your firearm and the Tru Dot sights.
 - Use the sights only on compatible models (H&K P2000 and P2000SK).
 - Keep the sights and firearm clean and free of obstructions.
 - Store your firearm securely and out of reach of children or unauthorized users.
 - Regularly check for any signs of wear or damage to the sights.

Specific Safety Precautions for Use

- Before using the Tru Dot sights, observe the following precautions:
 - Ensure that the firearm is pointed in a safe direction at all times.
 - Avoid using the sights in extreme weather conditions that may affect visibility.
 - Be aware of your surroundings and ensure that you have a clear line of sight to your target.
 - Use appropriate eye and ear protection when shooting.
 - If you notice any malfunction or unusual behavior of the sights, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

- To install and use the Tru Dot sights, follow these steps:

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights from your H&K P2000 or P2000SK.
- Align the Tru Dot sights with the mounting points on the firearm.
- Secure the sights in place using the necessary tools, ensuring they are firmly attached.
- Make minor adjustments as needed for optimal alignment.

2. Usage:

- Familiarize yourself with the sight picture: the Tru Dot sights feature three solid dots for aiming.
- Practice aiming in various lighting conditions to understand how the sights perform day and night.
- Maintain a consistent shooting stance and grip for improved accuracy.
- Regularly practice to enhance your instinctive aiming skills with the Tru Dot sights.

Disposal Instructions

- Dispose of any packaging materials responsibly:
 - Recycle cardboard and paper materials where possible.
 - Dispose of plastic components in accordance with local regulations.
 - Do not dispose of the sights in general waste; instead, check for special disposal programs for firearms accessories.

Contact Information for Further Support

- For any questions or concerns regarding the Tru Dot FIXED PISTOL SET, please refer to the manufacturer's website or customer support resources.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Tru Dot FIXED PISTOL SET. Always prioritize safety and responsibility when handling firearms and accessories.
