[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

## Safety Instruction Guide

### Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET S&W C.O.R.E G/G. This guide provides essential safety instructions to ensure the safe use and handling of your new sight system. It is important to follow these guidelines to maximize your safety and the performance of the product.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a sighting system for handguns.
- Always handle firearms and accessories with care, adhering to local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear. Do not use if damaged.
- Follow all safety precautions outlined in your handgun's user manual in conjunction with this product.

### Specific Safety Precautions for Use

- Use the sight only in accordance with the manufacturer's instructions.
- Avoid using the sight in extreme weather conditions which may impair its functionality.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye and ear protection when using firearms.
- Do not attempt to modify the sight in any way that is not specified by the manufacturer.

### Instructions for Installation and Usage

#### Installation

1. Ensure your firearm is unloaded before beginning the installation process.
2. Remove the existing front and rear sights from your handgun.
3. Align the Tru Dot sights with the mounting points on your handgun. Ensure they fit securely.
4. If necessary, make minor modifications to the mounting points to ensure a proper fit.
5. Secure the sights in place according to the manufacturer's specifications.

#### Usage

- When aiming, ensure the three solid dots of the Tru Dot sight are aligned for optimal accuracy.
- Practice using the sight in various lighting conditions to become familiar with its functionality.
- Regularly check the alignment and condition of the sights to ensure they remain effective.

### Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste.
- If the sight is damaged or no longer functional, consider recycling options where available.

### Contact Information for Further Support

For any safety inquiries or further assistance regarding the Tru Dot FIXED PISTOL SET S&W C.O.R.E G/G, please refer to the manufacturer's contact information provided in the product packaging or user manual.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Tru Dot FIXED PISTOL SET S&W C.O.R.E G/G. Always prioritize safety and be mindful of your surroundings when handling firearms and accessories. Thank you for your attention to these important guidelines.
