

Tru Dot FIXED PISTOL SET MAGNUM RESEARCH BABY EAGLE(PRE 2007) G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET MAGNUM RESEARCH BABY EAGLE (PRE 2007) Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for your Magnum Research Baby Eagle. This product is designed to enhance your shooting experience with combatproven selfilluminated night sights. To ensure your safety and the effective use of this product, please read and follow the guidelines provided in this safety instruction guide.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Tru Dot sights by following all instructions. This product is designed for nonfood use and is compliant with EU safety regulations.
- **Enhanced Recalls:** Stay informed about any potential recalls. Follow the instructions provided in recall notices if applicable.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children and ensure it is used only by individuals familiar with firearm safety.
- **EU Contact Point:** For any safety inquiries or concerns, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- **Proper Training:** Only use this product if you have received proper training in firearm handling and safety.
- **Inspection:** Before installation and use, inspect the sights for any visible damage or defects.
- **Installation:** Ensure that the installation is performed correctly to avoid any operational issues.
- **Use in Appropriate Conditions:** Use the sights in conditions that are suitable for their functionality (daylight, lowlight, and nighttime).
- **Avoid Modifications:** Do not modify the sights in any way, as this may affect performance and safety.
- **Follow Local Laws:** Always comply with local laws and regulations regarding firearm usage and modifications.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any other required equipment.
2. **Remove Existing Sights:** Carefully remove the existing front and rear sights from your firearm.
3. **Align New Sights:** Position the Tru Dot sights in the correct alignment on the firearm.
4. **Secure Sights:** Use the appropriate tools to secure the sights in place. Ensure they are tightly fitted to avoid movement during use.
5. **Final Check:** After installation, conduct a final check to ensure that the sights are properly aligned and secured.

Usage Instructions

- **Aiming:** Use the three solid dots for aiming, which provide a consistent reference point in all light conditions.

- **Practice:** Familiarize yourself with the sights by practicing in various lighting conditions to enhance your aiming skills.
- **Maintenance:** Regularly clean the sights to maintain visibility and performance.

Disposal Instructions

- **Disposal of Product:** When disposing of the Tru Dot sights, follow local regulations for electronic waste and hazardous materials.
- **Recycling:** If applicable, recycle the product according to local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the Tru Dot FIXED PISTOL SET, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure the safe and effective use of your Tru Dot FIXED PISTOL SET. Thank you for prioritizing safety and responsibility while enjoying your shooting experience.
