

Tru Dot FIXED PISTOL SET ARMSCOR ROCK ISLAND TAC 1911.45ACP G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot Fixed Pistol Set Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set by MEPROLIGHT. This guide provides essential safety instructions to ensure the safe and effective use of your night sights. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always follow local laws and regulations regarding firearm accessories and usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- If you notice any defects or issues, cease use immediately and contact a qualified professional.
- Always handle firearms with care, following the basic rules of firearm safety.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the sights.
- Use protective eyewear when installing or handling the product to prevent injury.
- Avoid exposing the sights to extreme temperatures, moisture, or corrosive substances.
- Do not attempt to modify the sights beyond the recommended installation procedures.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights using appropriate tools.
- Install the Tru Dot sights by aligning them with the mounting points on the firearm.
- Secure the sights in place, ensuring they are firmly attached and properly aligned.
- Make any necessary adjustments to the sights for optimal accuracy.

2. Usage:

- Familiarize yourself with the sighting system before attempting to use it in lowlight conditions.
- Practice aiming with the Tru Dot sights in a controlled environment to build confidence.
- Always verify that the sights are functioning correctly before engaging in live shooting.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not throw away in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the Tru Dot Fixed Pistol Set, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these safety instructions, you can maximize the benefits of your Tru Dot Fixed Pistol Set while

ensuring your safety and the safety of others. Thank you for your attention to these important guidelines.
