

# Tru Dot R4E PISTOL SET SIG 9MM/357/P SER (EXCEPT P365) G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is responding to users' needs, our Mepro Tru-Dot® R4E models are available in various tritium color combinations of green and orange (3 lines on the rear sight and 1 dot on the front sight) with colored white line on the front sight below the dot.

# Tru Dot R4E PISTOL SET Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot R4E Pistol Set. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is suitable for your firearm model.
- Always handle firearms with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of damage or wear.
- Do not attempt to modify the product beyond the specified installation instructions.
- Be aware of your surroundings when using your firearm, especially in lowlight conditions.

## Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or adjusting the sights.
- Use the Tru Dot sights only in conditions for which they are designed (daylight, lowlight, and nighttime).
- Avoid using the product if you notice any cracks, chips, or defects.
- Do not expose the sights to extreme temperatures or harsh chemicals.
- If you experience any issues with the sights, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights from your firearm according to the manufacturer's instructions.
- Align the Tru Dot sights with the mounting points on your firearm.
- Secure the sights using the provided screws or mounting hardware.
- Make minor adjustments as necessary to ensure proper alignment.

### 2. Usage Instructions:

- Familiarize yourself with the sighting system before using it in a live environment.
- Practice aiming with the Tru Dot sights in a safe and controlled area.
- Remember that the sighting reference consists of three solid dots for both day and night use.
- Regularly check the alignment and condition of the sights to ensure optimal performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearms accessories.
- Do not throw the product in regular household waste.
- If you are unsure how to dispose of the product, contact your local waste management authority for guidance.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's

website or contact your local distributor. Always ensure you have the latest information regarding your product.

By following these safety instructions, you can ensure a safe and effective experience with your Tru Dot R4E Pistol Set. Thank you for your commitment to safety.
