

# HYPER BRIGHT FIXED PISTOL SET GLOCK - HYPER BRIGHT FIXED PISTOL FRONT GLOCK 42,43,43X,48 Y RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# Consumer Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET GLOCK

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET GLOCK. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this guide carefully before using the sights.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle firearms and firearm accessories with care, following all safety regulations and laws applicable in your jurisdiction.
- Keep the product out of reach of children and unauthorized users.
- Regularly check the product for any signs of damage or wear before use.
- If you notice any irregularities or malfunctions, discontinue use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- **Visibility:** The HYPER BRIGHT sights are designed for optimal visibility in various lighting conditions. Always ensure that the sights are properly aligned and clean for effective use.
- **Installation:** Follow the installation instructions carefully to avoid improper mounting, which can lead to safety hazards.
- **Environmental Conditions:** The sights are designed to be reliable in various weather conditions. However, avoid exposing them to extreme temperatures or harsh chemicals.
- **Target Practice:** When using the sights for target practice, always ensure a safe shooting environment. Follow all local laws and regulations regarding shooting ranges and target practice.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from the firearm according to the manufacturer's instructions.
- Align the HYPER BRIGHT sights with the mounting holes on your Glock model (42, 43, 43X, 48).
- Securely fasten the sights using the provided screws or mounting hardware.
- Doublecheck that the sights are firmly attached and properly aligned.

### 2. Usage

- To use the sights, simply aim as you would with any standard firearm sights.
- The bright colored ring will assist in target acquisition, especially in low light conditions.
- Practice regularly to become familiar with the sight alignment and aiming process.

## Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- If the product contains any hazardous materials, such as tritium, ensure it is disposed of through a specialized waste disposal service.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the HYPER BRIGHT FIXED PISTOL SET GLOCK, please contact the designated EUbased contact point provided by the manufacturer. Always refer to the manufacturer's website for the most current information and updates regarding product safety and recalls.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience while using the HYPER BRIGHT FIXED PISTOL SET GLOCK. Stay informed about safety recalls and updates through the EU Safety Gate platform. Your safety is our priority.
