

# HYPER BRIGHT FIXED PISTOL SIG - HYPER BRIGHT FIXED PISTOL SET SIG 9MM/357/P SER (NOT 365XL) O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SIGHT SET by MEPROLIGHT. This product is designed to enhance your shooting experience by providing superior visibility in various lighting conditions. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** Always ensure safe use of the product. This sight is designed for firearms and should only be used as intended.
- **Enhanced Recalls:** Be aware of any recall notices related to this product. If a recall is issued, follow the instructions provided for a remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, consult the relevant EU contact point for consumer safety.
- **Rapid Alerts:** Stay informed about any updates on unsafe products through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Age Restriction:** This product is intended for adults only. Do not allow minors to handle or use this sight.
- **Proper Handling:** Handle the sight with care to avoid damage. Do not drop or subject it to extreme conditions.
- **Installation Warning:** Ensure proper installation as per the instructions. Incorrect installation may lead to malfunction or accidents.
- **Visibility Check:** Regularly check the visibility of the tritium sights. If they appear dim, consider replacement.
- **Environmental Conditions:** Avoid using the sight in conditions that may obstruct visibility, such as heavy fog or extreme darkness without adequate light sources.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing sights according to the firearm manufacturer's instructions.
3. Align the HYPER BRIGHT FIXED PISTOL SIGHT on the firearm's slide.
4. Secure the sight in place according to the manufacturer's specifications.
5. Verify that the sight is firmly attached and does not move.

- **Usage:**

1. Familiarize yourself with the sight before use. Practice aiming in a safe environment.
2. Use the sight in various lighting conditions to understand its capabilities.
3. Always ensure that the firearm is pointed in a safe direction when aiming or firing.
4. Regularly clean the sight to maintain optimal visibility and performance.
5. If the sight becomes damaged or shows signs of malfunction, cease use immediately and consult a professional.

## Disposal Instructions

- **General Disposal:** Dispose of the product in accordance with local regulations for electronic waste and hazardous materials.
- **Tritium Disposal:** Tritium is a radioactive material. Follow local guidelines for the disposal of products containing tritium.
- **Environmental Considerations:** Do not dispose of the sight in regular household waste. Instead, take it to a designated disposal facility.

## Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SIGHT SET, please refer to the manufacturer's website or customer service for assistance. Always ensure you are following the latest safety guidelines and product updates.

By adhering to these safety instructions, you can help ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL SIGHT SET. Thank you for your attention to safety.
