

# **HYPER BRIGHT FIXED PISTOL SIG - HYPER BRIGHT FIXED PISTOL FRONT SIG 9MM/357/P SER (NOT 365XL) G RING**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions.

Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime.

ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# **HYPER BRIGHT FIXED PISTOL Safety Instruction Guide**

## **Introduction**

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SIGHT. This guide provides essential safety instructions to ensure proper use and maintenance of your product. Please read this guide thoroughly before installation and usage to maximize safety and performance.

## **General Safety Guidelines**

- Ensure safe handling and usage of the HYPER BRIGHT FIXED PISTOL SIGHT.
- Be aware of potential hazards associated with the product, including improper installation and misuse.
- Always follow the manufacturer's instructions to avoid accidents and injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any recalls or safety updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Always ensure that your firearm is unloaded before installing or adjusting the sights.
- Do not attempt to modify or disassemble the sight, as this may compromise safety and functionality.
- Use only compatible firearms as specified by the manufacturer to avoid accidents.
- Always use the sight in accordance with local laws and regulations regarding firearm usage.
- Maintain situational awareness when handling firearms equipped with the HYPER BRIGHT FIXED PISTOL SIGHT.
- Avoid exposing the sight to extreme temperatures or harsh chemicals, which may affect its performance.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights according to the manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL SIGHT with the mounting point on your firearm.
- Secure the sight using the appropriate tools, ensuring it is tightly fitted to prevent movement during use.
- Check alignment and functionality before using the firearm.

### **2. Usage:**

- Familiarize yourself with the sight's features, including the tritium illumination and colored ring.
- Practice aiming with the sight in various lighting conditions to understand its capabilities.
- Always clean the sight with a soft, dry cloth to maintain visibility and performance.
- If the sight appears damaged or malfunctioning, cease use immediately and consult a qualified professional.

## **Disposal Instructions**

- Dispose of the HYPER BRIGHT FIXED PISTOL SIGHT in accordance with local regulations regarding hazardous materials.
- Do not incinerate or expose the sight to extreme heat, as this may cause hazardous materials to be released.
- If you are unsure about disposal methods, consult local waste management authorities for guidance.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the HYPER BRIGHT FIXED PISTOL SIGHT, please refer to the manufacturer's contact information provided with your product. Regularly check for updates and safety information to ensure continued safe use of your product.

By following these guidelines, you can ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL SIGHT. Always prioritize safety and responsible usage.
