

HYPER BRIGHT FIXED PISTOL S&W - HYPER BRIGHT FIXED PISTOL SET S&W M&P SHIELD G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL S&W

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL S&W. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

To ensure your safety and the proper functioning of the HYPER BRIGHT FIXED PISTOL S&W, please follow these general safety guidelines:

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is unloaded when not in use.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the sights for any damage or wear.
- Do not modify the firearm or its components in any way.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

When using the HYPER BRIGHT FIXED PISTOL S&W, please adhere to the following specific safety precautions:

- Ensure that the sights are properly aligned before shooting.
- Avoid using the firearm in adverse weather conditions that may affect visibility.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Use only compatible ammunition as specified by the manufacturer.
- If you experience any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

To maximize the effectiveness and safety of your HYPER BRIGHT FIXED PISTOL S&W, please follow these installation and usage instructions:

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing sights from the firearm according to the manufacturer's instructions.
3. Align the HYPER BRIGHT FIXED PISTOL S&W sights with the mounting points on your firearm.
4. Securely fasten the sights using the provided hardware, ensuring they are aligned properly.
5. Doublecheck that the sights are firmly attached before use.

Usage

- Always check the sights before each use to ensure they are functioning correctly.
- In daylight, the bright colored ring will enhance visibility and aid in target acquisition.
- At night or in lowlight conditions, the tritium illumination will provide reliable visibility.
- Practice regularly to become familiar with the sighting system and improve accuracy.

Disposal Instructions

When it is time to dispose of the HYPER BRIGHT FIXED PISTOL S&W or its components, please follow these disposal instructions:

- Do not dispose of the product in regular household waste.
- Check local regulations for the proper disposal of electronic and hazardous materials.
- If the sights are damaged or no longer functional, contact a local waste management facility for guidance on safe disposal.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the HYPER BRIGHT FIXED PISTOL S&W, please contact the manufacturer or your local authorized dealer. It is important to address any issues promptly to ensure your safety and the safety of others.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your HYPER BRIGHT FIXED PISTOL S&W. Always prioritize safety and responsible use when handling firearms. Thank you for your attention to these important safety measures.
