

# HYPER BRIGHT FIXED PISTOL S&W - HYPER BRIGHT FIXED PISTOL SET S&W M&P SHIELD O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SAFETY INSTRUCTIONS

## Introduction

Congratulations on your purchase of the HYPER BRIGHT FIXED PISTOL SIGHT SET for the Smith & Wesson M&P Shield. This product is designed to enhance your shooting experience by providing superior visibility in all lighting conditions. Please read this safety instruction guide carefully to ensure safe and effective use of your new sights.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm securely and out of reach of children.
- Use appropriate eye and ear protection when shooting.
- Familiarize yourself with local laws and regulations regarding firearm ownership and usage.
- Regularly inspect your sights for any signs of damage or wear before use.
- If you experience any issues with the sights, discontinue use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- Ensure that the sights are properly installed before using the firearm.
- Do not attempt to modify or disassemble the sights, as this may compromise their safety and effectiveness.
- Be aware that the tritium illumination may not be as bright in extremely lowlight conditions compared to daylight.
- Avoid exposing the sights to extreme temperatures, chemicals, or physical impacts that could affect their performance.
- Always follow the manufacturer's guidelines for maintenance and cleaning to ensure optimal performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from your M&P Shield according to the manufacturer's instructions.
- Align the new HYPER BRIGHT FIXED PISTOL SIGHTS with the mounting holes on the slide.
- Securely fasten the sights in place, ensuring they are properly aligned for accurate aiming.
- Doublecheck that the sights are firmly attached before using the firearm.

### 2. Usage:

- When aiming, focus on the front sight to improve target acquisition.
- The contrasting colors of the front and rear sights will assist in quicker focus.
- Remember that the sights require no batteries and are always ready for use.
- Regularly practice with your firearm to become familiar with the sight picture and improve your shooting skills.

## **Disposal Instructions**

- Dispose of the sights responsibly, following local regulations for hazardous materials.
- If the tritium vials become damaged or are no longer functional, contact a professional for proper disposal methods.
- Do not dispose of the sights in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding the safety and performance of your HYPER BRIGHT FIXED PISTOL SIGHT SET, please refer to the manufacturer's contact information provided with your product. Ensure you have the product details available for efficient support.

By following these guidelines, you can ensure the safe and effective use of your HYPER BRIGHT FIXED PISTOL SIGHT SET. Enjoy improved visibility and enhanced shooting performance. Stay safe!
