

# **HYPER BRIGHT FIXED PISTOL S&W - HYPER BRIGHT FIXED PISTOL SET S&W M&P SHIELD Y RING/G**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions.

Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. **HYPER-BRIGHT CONCEPT:** The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime.

**ALWAYS ON:** Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. **HIGH DURABILITY:** The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# **HYPER BRIGHT FIXED PISTOL SAFETY INSTRUCTIONS**

## **Introduction**

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SIGHT SET for your Smith & Wesson M&P Shield. This product is designed to provide you with exceptional visibility and aiming accuracy in various lighting conditions. To ensure safe and effective use, please read and follow these safety instructions carefully.

## **General Safety Guidelines**

- Always treat your firearm as if it is loaded.
- Ensure you are aware of your surroundings and practice safe shooting at all times.
- Keep the HYPER BRIGHT FIXED PISTOL SIGHT SET out of reach of children and unauthorized users.
- Regularly inspect the sights for any damage or wear before use.
- Do not attempt to modify or disassemble the sights.
- Follow all local laws and regulations regarding firearm and accessory use.

## **Specific Safety Precautions for Use**

- The HYPER BRIGHT sights are designed for use with firearms only. Do not use them for any other purpose.
- Avoid exposing the sights to extreme temperatures or harsh chemicals, which may affect their performance.
- If the sights become damaged, do not use the firearm until the sights have been replaced.
- Always ensure that the sights are properly aligned and securely mounted before use.
- Be cautious when using the sights in low light conditions; make sure you are familiar with your firearm's operation.

## **Instructions for Installation and Usage**

### **Installation**

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Old Sights:** Use appropriate tools to carefully remove any existing sights from your firearm.
3. **Install New Sights:**
  - Align the front sight with the mounting slot on the slide.
  - Insert the sight and secure it according to the manufacturer's specifications.
  - Repeat the process for the rear sight, ensuring proper alignment.
4. **Check Alignment:** Once installed, verify that both sights are aligned correctly and securely fastened.
5. **Final Inspection:** Conduct a thorough inspection of the firearm to ensure everything is in order before use.

### **Usage**

- Aim using the front sight, ensuring the colored ring is clearly visible.
- Practice shooting in various lighting conditions to become accustomed to the sight's performance.
- Regularly clean the sights with a soft, dry cloth to maintain visibility and performance.

## **Disposal Instructions**

- Dispose of the HYPER BRIGHT FIXED PISTOL SIGHT SET in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Contact your local waste management authority for guidance on proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the HYPER BRIGHT FIXED PISTOL SIGHT SET, please refer to the appropriate EUbased contact point for assistance.

By following these safety instructions, you can ensure the proper use of the HYPER BRIGHT FIXED PISTOL SIGHT SET and enhance your shooting experience. Remember, safety is paramount when handling firearms and their accessories.
