

HYPER BRIGHT FIXED PISTOL S&W - HYPER BRIGHT FIXED PISTOL FRONT S&W M&P SHIELD G RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL S&W Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL S&W. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. It complies with the EU General Product Safety Regulation (GPSR) to enhance consumer protection.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a handgun sight.
- Always handle the firearm with care and ensure it is unloaded when installing or adjusting the sights.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- Keep the product out of reach of children and unauthorized users.
- Regularly check the sights for any signs of damage or wear and replace as necessary.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the HYPER BRIGHT FIXED PISTOL S&W only in accordance with the manufacturer's instructions.
- Do not attempt to modify or alter the sights in any way.
- Ensure that the tritium vials are intact and not damaged. If you notice any cracks or leaks, discontinue use immediately.
- Avoid exposing the sights to extreme temperatures or harsh chemicals.
- When using the sights in lowlight conditions, ensure that your firearm is properly secured to avoid accidental discharge.
- Use appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded before beginning the installation process.
- Remove the existing sights from the firearm according to the manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL S&W sights with the mounting points on your firearm.
- Secure the sights using the appropriate tools, ensuring they are tightly fastened.
- Check the alignment of the sights to ensure proper aiming.

2. Usage

- Familiarize yourself with the sighting system before using the firearm in a live setting.
- Practice using the sights in various lighting conditions to understand their performance.
- Always focus on the front sight when aiming to improve target acquisition.
- Maintain a proper shooting stance and grip for optimal control.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the tritium vials are damaged or the sights are no longer usable, contact your local hazardous waste facility for safe disposal options.
- Do not throw the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL S&W, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your HYPER BRIGHT FIXED PISTOL S&W. Always prioritize safety and responsible handling of firearms.
