

HYPER BRIGHT FIXED PISTOL S&W - HYPER BRIGHT FIXED PISTOL FRONT S&W M&P SHIELD O RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SIGHT SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SIGHT for your Smith & Wesson M&P Shield. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your new sight. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the sight is installed correctly on your firearm before use.
- Always handle firearms with care and follow standard safety practices.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- If you suspect any issues with the sight, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- **Visibility:** The HYPER BRIGHT FIXED PISTOL SIGHT is designed for optimal visibility in various lighting conditions. However, be aware that extreme environmental conditions may affect performance.
- **Installation:** Follow the installation instructions closely to avoid improper mounting, which could lead to accidents.
- **Maintenance:** The sight requires no batteries and is maintenance-free. However, ensure it is clean and free from obstructions.
- **Shooting Environment:** Always be aware of your surroundings when using the firearm equipped with the sight. Ensure a safe shooting environment.
- **Target Awareness:** Always ensure that your target is identified and that there are no people or objects behind it.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing sight from the firearm, if applicable.
- Align the HYPER BRIGHT FIXED PISTOL SIGHT with the mounting slot on the firearm.
- Securely fasten the sight according to the manufacturer's specifications.
- Doublecheck that the sight is firmly attached and does not move.

2. Usage:

- When aiming, ensure that the front sight is aligned with the rear sight for accurate targeting.
- Practice using the sight in different lighting conditions to familiarize yourself with its performance.
- Regularly check the sight's alignment and condition before each use.

Disposal Instructions

- Do not dispose of the sight in regular household waste.
- Follow local regulations for the disposal of firearm accessories.
- If the sight is damaged or no longer usable, contact a local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SIGHT, please contact the manufacturer or your local dealer for assistance. Ensure you have your product details handy for a more efficient support experience.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your HYPER BRIGHT FIXED PISTOL SIGHT. Always prioritize safety and responsible firearm use. Thank you for your attention to these important safety measures.
