

HYPER BRIGHT FIXED PISTOL SET CZ 75/85/97/ - HYPER BRIGHT FIXED PISTOL SET CZ 75/85/97/SP01 G RING,G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET for your shooting needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage to maximize your safety and the performance of your sights.

General Safety Guidelines

- Always handle firearms and accessories with care and responsibility.
- Ensure you are in a safe environment when using firearms.
- Keep the sights clean and free from obstructions to maintain optimal visibility.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Store your firearm and sights in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of damage or wear.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the sights.
- Do not attempt to modify the sights, as this may compromise their safety and functionality.
- Be cautious of the brightness levels when using the sights in various lighting conditions.
- Use appropriate eye protection when shooting.
- Do not rely solely on the sights in extreme lowlight conditions; always assess the environment.
- If you experience any issues with visibility or performance, discontinue use and consult a professional.

Instructions for Installation and Usage

Installation

1. Unpack the Sights:

- Carefully remove the sights from the packaging.
- Inspect the sights for any visible damage.

2. Prepare Your Firearm:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing sights according to the manufacturer's instructions.

3. Install the HYPER BRIGHT Sights:

- Align the new sights with the mounting points on your firearm.
- Secure the sights firmly using the appropriate tools.
- Ensure that the sights are properly aligned for accurate aiming.

4. Final Inspection:

- Check the installation for stability and alignment.
- Ensure that there are no loose components.

Usage

- **Daylight Use:**

- The sights are designed for optimal visibility in daylight conditions.
- Choose your preferred colored ring (green, yellow, or orange) based on visibility and personal preference.

- **LowLight Use:**

- The sights feature selfilluminated tritium for lowlight conditions.
- Remember that the yellow ring option has phosphorescent properties that charge with light.

- **Maintenance:**

- The sights are maintenancefree; however, regular inspections are recommended.
- Clean the sights with a soft, dry cloth to maintain clarity.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries or further support regarding your HYPER BRIGHT FIXED PISTOL SET, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Enjoy the enhanced visibility and performance of your HYPER BRIGHT FIXED PISTOL SET while ensuring safety at all times.
