

HYPER BRIGHT FIXED PISTOL SET CZ 75/85/97/ - HYPER BRIGHT FIXED PISTOL SET CZ 75/85/97/SP01 O RING,G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET CZ 75/85/97

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET CZ 75/85/97. This product is designed to enhance your shooting experience by providing superior visibility in various lighting conditions. However, it is essential to understand and follow safety guidelines to ensure safe use and maintenance of the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the sight.
- Familiarize yourself with the operation of your firearm and the sight before use.
- Ensure that the sight is compatible with your specific firearm model.
- Use the product only for its intended purpose as described in this guide.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any damage or wear and replace it if necessary.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the tritium vials are intact and not damaged. If you notice any cracks or leaks, discontinue use immediately.
- Avoid exposing the sight to extreme temperatures or harsh chemicals, as this may affect its performance.
- Do not attempt to modify or disassemble the sight, as this may compromise its safety and functionality.
- Always use the sight in accordance with local laws and regulations regarding firearm accessories.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Sight:** If applicable, carefully remove the existing sight from your firearm according to the manufacturer's instructions.
3. **Align the New Sight:** Position the HYPER BRIGHT FIXED PISTOL SET onto the firearm's sight base. Ensure it is aligned properly.
4. **Secure the Sight:** Follow the manufacturer's instructions to secure the sight in place. Ensure it is tightly fitted to prevent movement during use.
5. **Final Check:** Inspect the installation to confirm that the sight is securely attached and aligned correctly.

Usage

- When aiming, focus on the front sight for quicker target acquisition.
- Utilize the contrasting colors of the front and rear sights to enhance visibility in various lighting conditions.
- Remember that the tritium sights are always on and do not require batteries; they are designed to provide illumination for up to 12 years.

Disposal Instructions

- Dispose of the sight in accordance with local regulations regarding hazardous materials.
- If the tritium vials are damaged or leaking, contact your local waste disposal authority for guidance on safe disposal.

- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries or support regarding the HYPER BRIGHT FIXED PISTOL SET CZ 75/85/97, please refer to the manufacturer's official website or customer service channels. Ensure that you have your product information ready for any assistance.

By following these safety instructions, you can ensure a safe and effective experience with your HYPER BRIGHT FIXED PISTOL SET. Please keep this guide for future reference.
