

HYPER BRIGHT FIXED PISTOL SET CANIK - HYPER BRIGHT FIXED PISTOL SET CANIK TP SERIES G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET Consumer Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET by Canik. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully before use to understand how to operate and maintain your sights safely.

General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or adjusting the sights.
- Follow all local laws and regulations regarding firearms and sight usage.
- Keep the sights out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- If you notice any issues, do not use the product and contact a qualified professional for assistance.

Specific Safety Precautions for Use

- **Visibility:** The HYPER BRIGHT sights are designed for enhanced visibility. However, ensure that you are in a welllit area when first using them to familiarize yourself with their features.
- **Installation:** Follow the installation instructions carefully to avoid misalignment, which can affect accuracy.
- **Handling:** Always handle your firearm safely, keeping your finger off the trigger until you are ready to shoot.
- **Environmental Conditions:** Be aware of the weather conditions. While the sights are designed to be reliable in various conditions, extreme weather may affect performance.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove any existing sights from your firearm according to the manufacturer's instructions.
- Align the HYPER BRIGHT sights with the mounting points on your firearm.
- Secure the sights in place using the provided tools, ensuring they are tightly fitted.

2. Usage:

- Adjust your stance and grip to ensure a comfortable shooting position.
- Use the contrasting colors of the sights to focus on the target quickly.
- Practice shooting in different lighting conditions to become familiar with how the sights perform.

Disposal Instructions

- When disposing of the HYPER BRIGHT sights, follow local regulations regarding hazardous waste.
- Do not dispose of the sights in regular household waste. Instead, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SET, please refer to the

manufacturer's website or customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL SET. Always prioritize safety when handling firearms and their accessories.
