

HYPER BRIGHT FIXED PISTOL SET CANIK - HYPER BRIGHT FIXED PISTOL SET CANIK TP SERIES O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET Safety Instruction Guide

Introduction

Congratulations on your purchase of the HYPER BRIGHT FIXED PISTOL SET CANIK TP SERIES O RING. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new handgun sight. Please read this document carefully to familiarize yourself with the product and its safety features.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Use the HYPER BRIGHT FIXED PISTOL SET only in accordance with the manufacturer's instructions.
- Ensure that the sights are properly installed before use.
- Regularly inspect the sights for any signs of damage or wear.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times.
- Do not use the sights if they appear damaged or if the tritium vials are broken.
- Avoid exposing the sights to extreme temperatures or conditions that may affect their performance.
- Use only compatible firearms as specified by the manufacturer.
- Be aware of your surroundings and ensure a clear shooting area when using the firearm equipped with these sights.
- If you experience any issues with visibility during use, cease operation and consult the manufacturer.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather necessary tools for installation (if required).

2. Remove Old Sights:

- Carefully remove the existing sights from your firearm following the manufacturer's guidelines.

3. Install HYPER BRIGHT FIXED PISTOL SET:

- Align the new sights with the mounting points on your firearm.
- Securely attach the sights, ensuring they are firmly in place.
- Doublecheck alignment before use.

Usage

• Daylight Use:

- The HYPER BRIGHT sights are designed for maximum visibility in daylight. The colored ring will

provide a clear focus on the target.

- **Nighttime Use:**

- The tritium vials will illuminate the sights in lowlight conditions. Ensure that the sights are functioning correctly before relying on them in the dark.

- **Target Acquisition:**

- Use the contrasting colors of the front and rear sights to enhance focus and speed up target acquisition.

Disposal Instructions

- Dispose of the HYPER BRIGHT FIXED PISTOL SET responsibly and in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for guidance on the proper disposal of tritiumcontaining products.

Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SET, please refer to the manufacturer's website or customer support resources for assistance.

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET. Your safety is our priority, and we hope that you enjoy the enhanced visibility and performance that these sights provide. Always use your firearm responsibly and in compliance with local laws and regulations.
