

HYPER BRIGHT FIXED PISTOL SET CANIK - HYPER BRIGHT FIXED PISTOL SET CANIK TP SERIES Y RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET for your shooting needs. This guide provides essential safety instructions to ensure the safe use of your product. Please read this document carefully before using the sights to understand the safety guidelines and proper usage.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of your HYPER BRIGHT FIXED PISTOL SET. Familiarize yourself with the product features and safety instructions.
- **Enhanced Recalls:** Stay informed about recall notices. If you receive a recall notice, follow the instructions provided for safe return or remedy.
- **Online Shopping Safety:** If purchased online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra caution is advised when the product is used by vulnerable groups, such as children. Ensure that children do not handle the product unsupervised.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Keep updated on product safety through the EU's Safety Gate platform. Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Proper Handling:** Always handle your firearm and sights with care. Treat every firearm as if it is loaded.
- **Avoid Modifications:** Do not modify the sights or the firearm. Any alterations may compromise safety and functionality.
- **Check for Damage:** Before use, inspect the sights for any signs of damage or wear. Do not use if any components are damaged.
- **Use in Appropriate Conditions:** The sights are designed for various lighting conditions. Ensure they are used in environments compatible with their specifications.
- **Training:** Ensure you have received adequate training in firearm safety and operation. Consider professional instruction if you are a novice.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Remove the existing sights, if applicable, following the manufacturer's instructions.
 3. Align the HYPER BRIGHT FIXED PISTOL SET sights with the mounting points on your firearm.
 4. Secure the sights in place using the appropriate tools, ensuring they are tightly fitted.
 5. Verify that the sights are correctly aligned before use.
- **Usage:**
 1. Familiarize yourself with the sight picture and alignment.
 2. Practice aiming and target acquisition in various lighting conditions to understand the performance of the sights.
 3. Always ensure that you have a clear line of sight and target before firing.
 4. If visibility is compromised, do not attempt to use the sights until conditions improve.

Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations concerning electronic and hazardous waste.
- **Recycling:** If applicable, recycle components of the sights as per local recycling guidelines.
- **Safe Disposal:** Ensure that any hazardous materials are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SET, please consult the designated support channels provided by the manufacturer or retailer. Always ensure you have the latest information regarding safety and product usage.

Thank you for your attention to these safety instructions. Your safety and the safety of others is paramount. Enjoy your shooting experience with the HYPER BRIGHT FIXED PISTOL SET responsibly.
