

HYPER BRIGHT FIXED PISTOL SET FN - HYPER BRIGHT FIXED PISTOL SET FN 509 O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET FN

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET FN. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the entire guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use in various lighting conditions. Always follow the instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls related to this product by checking the EU Safety Gate platform regularly.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the EU-based contact provided by the retailer or manufacturer.
- **Rapid Alerts:** Be aware of updates on unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not look directly at the tritium vials. They are designed for sighting purposes only.
- **Proper Handling:** Handle with care. Avoid dropping or subjecting the product to extreme shock.
- **Check for Damage:** Before each use, inspect the sights for any signs of damage or wear. Do not use if damaged.
- **Installation:** Ensure proper installation as outlined in the instructions below. Incorrect installation may lead to malfunction or injury.
- **Weather Conditions:** While the product is reliable in various weather conditions, avoid using it in extreme environments that may affect performance.

Instructions for Installation and Usage

Installation

1. **Tools Required:** Ensure you have the necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.
2. **Remove Old Sights:** If replacing existing sights, carefully remove them using the appropriate tools.
3. **Position New Sights:** Align the HYPER BRIGHT FIXED PISTOL SET FN sights on your firearm according to the manufacturer's specifications.
4. **Secure the Sights:** Tighten the screws to secure the sights in place without overtightening, which may damage the product.
5. **Final Check:** Ensure that the sights are firmly attached and properly aligned before use.

Usage

- **Aiming:** Use the Unotch shape on the rear sight to naturally direct your eyes to the front sight.
- **Lighting Conditions:** The sights are designed for optimal visibility in both day and night conditions. Test in various lighting to familiarize yourself with performance.
- **Target Acquisition:** Practice acquiring targets quickly using the contrasting colors of the sights for improved focus.

Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- **Tritium Disposal:** Since the product contains tritium, follow specific guidelines for disposal of radioactive materials as per local laws.

Contact Information for Further Support

For any inquiries or to report any safety concerns, please refer to the contact information provided by the retailer or manufacturer. Ensure you have the product details on hand for efficient assistance.

By following these safety instructions, you can ensure the safe and effective use of the HYPER BRIGHT FIXED PISTOL SET FN. Your safety is our priority. Thank you for your attention to these guidelines.
