

# HYPER BRIGHT FIXED PISTOL SET KIMBER - HYPER BRIGHT FIXED PISTOL FRONT KIMBER 1911 G RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET KIMBER

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER. This safety instruction guide provides essential information to ensure your safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that you understand the operation of your firearm and the proper use of sights before using the HYPER BRIGHT FIXED PISTOL SET.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and sights in a secure location, out of reach of children and unauthorized users.
- Inspect the sights regularly for any signs of damage or wear.
- If you notice any issues with the sights, discontinue use and seek professional assistance.

## Specific Safety Precautions for Use

- **Hazards of Tritium:** The sights contain tritium, a radioactive material. Although it is safe under normal use, avoid disassembling the sights or exposing them to extreme heat or physical damage.
- **Visibility in Low Light:** While the sights are designed for lowlight conditions, ensure you are familiar with your shooting environment to avoid accidents.
- **Proper Installation:** Ensure the sights are installed correctly to avoid misalignment, which can lead to inaccurate shooting.
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installation.
- Remove the existing sights from your firearm according to the manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL SIGHT onto the mounting area.
- Secure the sights in place according to the manufacturer's specifications.
- Doublecheck that the sights are firmly attached and properly aligned.

### 2. Usage:

- Familiarize yourself with the sight alignment and how to acquire targets quickly.
- Practice shooting in varying light conditions to understand the sights' performance.
- Regularly clean the sights with a soft, dry cloth to maintain visibility and performance.

## Disposal Instructions

- Dispose of the HYPER BRIGHT FIXED PISTOL SIGHT responsibly and in accordance with local regulations.
- Do not dispose of the sights in regular household waste due to the presence of tritium.
- Contact local waste management authorities for guidance on safe disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SET KIMBER, please refer to the manufacturer's contact information provided with your product packaging or on their official website.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL SET KIMBER. Always prioritize safety and responsible usage. Thank you for your attention to these important guidelines.
