

# HYPER BRIGHT FIXED PISTOL SET KIMBER - HYPER BRIGHT FIXED PISTOL FRONT KIMBER 1911 Y RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# Consumer Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET KIMBER

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is used only as intended, following all instructions provided.
- Always handle firearms and firearm accessories with care and responsibility.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- In case of any malfunction or damage, cease use immediately and contact a qualified professional.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls or safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always treat the firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction when handling.
- Do not use the product in wet or slippery conditions as this may affect grip and handling.
- Avoid using the product if visibility is poor, as this may affect aiming and shooting accuracy.
- Ensure that the sights are properly aligned before use to avoid misfires or accidents.
- Do not attempt to modify or alter the product in any way.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure you have the necessary tools for installation. Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Sight:** Use the appropriate tool to carefully remove the existing sight from your firearm.
3. **Install the HYPER BRIGHT Sight:**
  - Align the new sight with the mounting area on your firearm.
  - Secure the sight in place, ensuring it is tightly fitted.
4. **Check Alignment:** Once installed, check the alignment of the sight to ensure it is correctly positioned.

### Usage Instructions

- **Daylight Use:** The HYPER BRIGHT sights are designed for maximum visibility in both daylight and lowlight conditions. Ensure the sights are clean and free of obstructions for optimal performance.
- **Nighttime Use:** The tritium illumination will provide a constant glow, ensuring visibility in lowlight conditions. Familiarize yourself with the sight in a safe environment before using it in the field.
- **Target Acquisition:** Focus on the front sight for quicker target acquisition. The contrasting colors of the sights will aid in faster aiming.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods for firearm accessories.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety and usage of the HYPER BRIGHT FIXED PISTOL SET KIMBER, please contact the appropriate support channels provided by the manufacturer.

By following these safety instructions, you can ensure a safer experience while using your HYPER BRIGHT FIXED PISTOL SET KIMBER. Thank you for your attention to safety.
