

HYPER BRIGHT FIXED PISTOL SET KIMBER - HYPER BRIGHT FIXED PISTOL SET KIMBER 1911 WEDGE O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET KIMBER Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER. This product is designed to enhance your shooting experience with its advanced sight technology. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that no one is in your line of fire.
- Use appropriate eye and ear protection when using this product.
- Store the firearm and sights in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- The HYPER BRIGHT FIXED PISTOL SET is designed for use with the Kimber 1911 model. Ensure compatibility before installation.
- Do not attempt to modify or alter the sights in any way, as this may compromise safety and performance.
- Avoid using the sights in extreme weather conditions that may affect visibility or performance.
- Always check the sights before use to ensure they are functioning correctly and are securely attached.
- Be cautious when handling the firearm, especially when loading or unloading.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing sights from your Kimber 1911, if applicable.
3. Align the HYPER BRIGHT FIXED PISTOL SET with the sight dovetail on the firearm.
4. Securely fasten the sights according to the manufacturer's instructions.
5. Check that the sights are properly aligned and fixed in place before use.

Usage

- The HYPER BRIGHT sights are designed to provide optimal visibility in various lighting conditions.
- For daytime use, the bright colored ring will assist in quick target acquisition.
- At night or in lowlight conditions, the tritium illumination will provide visibility without the need for batteries.
- Practice regularly to become familiar with the sighting system and improve your shooting accuracy.

Disposal Instructions

- Dispose of the HYPER BRIGHT FIXED PISTOL SET responsibly, in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the sights in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the HYPER BRIGHT FIXED PISTOL SET KIMBER, please reach out to the manufacturer or your point of purchase. Ensure you have your product details ready for efficient assistance.

By following these guidelines, you will ensure not only your safety but also the safety of others while using the HYPER BRIGHT FIXED PISTOL SET KIMBER. Enjoy your shooting experience responsibly!
