

HYPER BRIGHT FIXED PISTOL SET KIMBER - HYPER BRIGHT FIXED PISTOL SET KIMBER 1911 WEDGE Y RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET KIMBER Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. It is designed to comply with the EU General Product Safety Regulation (GPSR) and aims to protect consumers while using this innovative handgun sight.

General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or installing the sight.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the sight for any signs of damage or wear.
- Do not attempt to modify or disassemble the sight, as this may compromise safety and performance.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure proper installation according to the instructions provided in this guide.
- Use only compatible firearms as specified in the product specifications.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate protective gear, including eye and ear protection.
- Do not use the sight if it is damaged or if the tritium vials are compromised.
- Avoid exposing the sight to extreme temperatures or harsh chemicals.

Instructions for Installation and Usage

Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights from the firearm.
- Align the HYPER BRIGHT FIXED PISTOL SET with the mounting points on your firearm.
- Securely attach the sight using the provided mounting hardware.
- Doublecheck the installation to ensure it is secure and properly aligned.

Usage

- Familiarize yourself with the sight before using it in a shooting scenario.
- Use the bright colored ring to enhance visibility and target acquisition.
- Practice regularly to improve your aiming and shooting skills with the sight.
- Always follow safe shooting practices and adhere to local laws regarding firearm use.

Disposal Instructions

- Dispose of the sight in accordance with local regulations regarding hazardous materials.
- Do not dispose of the sight in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the HYPER BRIGHT FIXED PISTOL SET KIMBER, please refer to your retailer or the manufacturer's website for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the HYPER BRIGHT FIXED PISTOL SET KIMBER!
