

# HYPER BRIGHT FIXED PISTOL SET KIMBER - HYPER BRIGHT FIXED PISTOL FRONT KIMBER 1911 WEDGE G RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SET KIMBER Safety Instruction Guide

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before using the sights to understand the necessary precautions and proper handling.

## General Safety Guidelines

- Follow all local laws and regulations regarding firearm usage and accessories.
- Always treat your firearm as if it is loaded, even when you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and accessories securely, out of reach of children and unauthorized individuals.
- Regularly inspect your sights for any damage or wear that may affect performance.
- If you notice any irregularities or defects, discontinue use immediately and contact a qualified professional.

## Specific Safety Precautions for Use

- Ensure that the sights are properly installed before attempting to use your firearm.
- Use only compatible firearms as specified by the manufacturer.
- Avoid using the sights in extreme weather conditions that may affect their performance.
- Do not attempt to modify or disassemble the sights; doing so may void the warranty and compromise safety.
- Be aware that the sights utilize tritium, which is safe for use but should not be tampered with.
- If the sights become damaged or the tritium vial is broken, avoid contact with the contents and seek professional assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights from your firearm as per the manufacturer's instructions.
- Align the new HYPER BRIGHT FIXED PISTOL sights with the mounting points on your firearm.
- Securely fasten the sights using the appropriate tools, ensuring they are tight and stable.

### 2. Usage:

- Familiarize yourself with the sight picture before engaging in shooting practice.
- Adjust your stance and grip to ensure optimal alignment with the sights.
- Practice shooting in various lighting conditions to understand the performance of the sights.
- Regularly clean the sights to maintain visibility and performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- If the tritium vial is broken, follow local hazardous waste disposal guidelines.
- Contact local authorities or waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SET KIMBER, please refer to the manufacturer's website or contact their customer service for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe use of your HYPER BRIGHT FIXED PISTOL SET KIMBER. Your safety and the safety of others depend on responsible handling and adherence to these guidelines. Thank you for your attention to safety.
