

HYPER BRIGHT FIXED PISTOL SET KIMBER - HYPER BRIGHT FIXED PISTOL FRONT KIMBER 1911 WEDGE O RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET KIMBER Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully and follow all recommendations to maximize safety and performance.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a firearm sight.
- Always handle firearms with care, following all local laws and regulations regarding firearm use.
- Keep the product out of reach of children and unauthorized users.
- Inspect the sight before use to ensure it is properly mounted and functioning.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using firearms.
- Ensure that the firearm is unloaded when installing or adjusting the sight.
- Verify that the sight is securely attached before each use.
- Do not attempt to modify or disassemble the sight.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use the sight only in appropriate lighting conditions to maximize visibility.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded.
2. **Remove Old Sight:** If applicable, carefully remove the existing sight from the firearm.
3. **Align New Sight:** Position the HYPER BRIGHT FIXED PISTOL SIGHT on the firearm's mounting area.
4. **Secure the Sight:** Use the appropriate tools to tighten the sight securely in place. Ensure it is stable and does not move.
5. **Final Check:** Inspect the installation to confirm that the sight is properly aligned and secure.

Usage

- **Daytime Use:** The sight is designed for high visibility in daylight. Use it to improve target acquisition.
- **Nighttime Use:** The tritium illumination provides visibility in lowlight conditions. Ensure the sight is charged with ambient light for optimal performance.
- **Target Acquisition:** Focus on the front sight to enhance aiming accuracy. The contrasting colors help in quickly identifying the sight.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the sight in regular household waste.
- Follow any specific disposal guidelines provided by local authorities or recycling programs.

Contact Information for Further Support

For any questions or concerns regarding safety, usage, or installation of the HYPER BRIGHT FIXED PISTOL SET KIMBER, please refer to the manufacturer's contact information available on the product packaging or the official website.

By adhering to these safety instructions, you can ensure a safe and effective experience with your HYPER BRIGHT FIXED PISTOL SET KIMBER. Thank you for prioritizing safety in your firearm use.
