

HYPER BRIGHT FIXED PISTOL SET KIMBER - HYPER BRIGHT FIXED PISTOL FRONT KIMBER 1911 WEDGE Y RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET KIMBER

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the sights to maximize safety and performance.

General Safety Guidelines

To ensure your safety and the effective use of your HYPER BRIGHT FIXED PISTOL SET, please adhere to the following guidelines:

- Always treat your firearm as if it is loaded.
- Store the firearm and sights in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- Use only the recommended firearm model (Kimber 1911) for installation.
- Follow all local laws and regulations regarding firearm usage and modifications.

Specific Safety Precautions for Use

When using the HYPER BRIGHT FIXED PISTOL SET, please observe the following precautions:

- **Visibility:** Ensure that the sights are correctly aligned and visible in various lighting conditions to enhance target acquisition.
- **Handling:** Always handle your firearm with care. Avoid pointing it at anything you do not intend to shoot.
- **Environment:** Be aware of your surroundings and ensure a safe shooting environment, especially in lowlight conditions.
- **Maintenance:** Do not attempt to modify the sights or the firearm. Any alterations may compromise safety and performance.

Instructions for Installation and Usage

To install and use the HYPER BRIGHT FIXED PISTOL SET correctly, follow these steps:

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from your Kimber 1911, if applicable.
- Align the HYPER BRIGHT FIXED sights with the mounting points on your firearm.
- Secure the sights using the appropriate tools, ensuring they are firmly attached.

2. Usage:

- Familiarize yourself with the sight alignment before shooting.
- Practice aiming with the sights in various lighting conditions to understand their performance.
- Regularly check the sights for any movement or misalignment after use.

Disposal Instructions

When disposing of the HYPER BRIGHT FIXED PISTOL SET, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for the proper disposal of firearm accessories and materials.
- If the sights are damaged or no longer functional, consider returning them to the manufacturer for safe disposal.

Contact Information for Further Support

For any inquiries regarding safety, maintenance, or product support, please refer to the contact information provided by the retailer or manufacturer. It is essential to have access to support for any concerns related to the HYPER BRIGHT FIXED PISTOL SET.

Please ensure to keep this guide for future reference and share it with anyone who may use the HYPER BRIGHT FIXED PISTOL SET. Your safety and the safety of others depend on responsible usage and adherence to these guidelines.
