

# **HYPER BRIGHT FIXED PISTOL SET IWI - HYPER BRIGHT FIXED PISTOL SET IWI MASADA G RING/G**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions.

Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. **HYPER-BRIGHT CONCEPT:** The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime.

**ALWAYS ON:** Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. **HIGH DURABILITY:** The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# **HYPER BRIGHT FIXED PISTOL SET IWI Safety Instruction Guide**

## **Introduction**

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET IWI. This guide provides important safety instructions and information to ensure the safe use and maintenance of your product. Please read this guide carefully before using the sights.

## **General Safety Guidelines**

- **Product Safety:** Ensure the safe use of the HYPER BRIGHT FIXED PISTOL SET IWI by following all instructions. This product is designed for use in various lighting conditions and is built to meet EU safety standards.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. In case of a recall, you will be provided with clear instructions and remedies at no cost.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with EU safety regulations. Verify the authenticity of the product and the seller.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, look for the EUbased contact information provided by the manufacturer or retailer.
- **Rapid Alerts:** Be aware of the EU's Safety Gate system for updates on unsafe products. Regularly check for any alerts related to this product.

## **Specific Safety Precautions for Use**

- **Avoid Direct Eye Exposure:** Do not look directly at the tritium source. It is designed for illumination and should only be viewed indirectly.
- **Inspect Before Use:** Always inspect the sights for any damage or defects before use. Do not use if there are visible signs of wear or damage.
- **Proper Handling:** Handle the sights with care. Dropping or mishandling may cause damage and affect performance.
- **Use in Appropriate Conditions:** Ensure that the sights are used in conditions suitable for their performance capabilities. Avoid extreme temperatures and harsh environments.
- **Regular Maintenance:** Although the sights are maintenancefree, periodically check for any dirt or obstructions that may affect visibility.

## **Instructions for Installation and Usage**

- **Installation:**

- Ensure your firearm is unloaded and pointed in a safe direction before installation.
- Follow the manufacturer's instructions for mounting the sights on your firearm.
- Use appropriate tools and avoid excessive force to prevent damage to the sights or firearm.

- **Usage:**

- Align the front and rear sights properly for accurate aiming.
- Practice using the sights in various lighting conditions to familiarize yourself with their performance.
- Always prioritize safety when handling firearms. Follow all relevant firearm safety rules.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the product responsibly. Do not dispose of it in regular household waste.
- **Local Regulations:** Check local regulations for the proper disposal of products containing tritium and other materials.
- **Recycling:** If applicable, consider recycling options for the metal components of the sights.

## Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SET IWI, please refer to the manufacturer's contact information provided at the point of purchase or on the product packaging.

By following these safety guidelines, you can ensure a safe and effective experience with your HYPER BRIGHT FIXED PISTOL SET IWI. Thank you for your attention to safety.
