

# HYPER BRIGHT FIXED PISTOL SET IWI - HYPER BRIGHT FIXED PISTOL SET IWI MASADA Y RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# **HYPER BRIGHT FIXED PISTOL SET IWI Safety Instruction Guide**

## **Introduction**

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET IWI. This product is designed to enhance your shooting experience with its advanced illumination technology. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

## **General Safety Guidelines**

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that you are in a safe environment when using your firearm.
- Always be aware of your surroundings and the target before shooting.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and its accessories for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.

## **Specific Safety Precautions for Use**

- The HYPER BRIGHT FIXED PISTOL SET IWI is designed for use with compatible IWI handguns. Ensure compatibility before use.
- Do not attempt to modify or disassemble the sighting system. This may compromise its safety and functionality.
- Avoid exposing the sights to extreme heat or corrosive substances, as this may affect their performance.
- If you notice any irregularities in the sight's performance, cease use immediately and seek professional advice.
- The tritium used in the sights is safe under normal conditions. However, do not attempt to break or dispose of the vials. If damaged, contact a professional for disposal.

## **Instructions for Installation and Usage**

### **Installation**

- Ensure your firearm is unloaded before installation.
- Follow the manufacturer's instructions for mounting the sights onto your firearm.
- Use only recommended tools for installation to prevent damage to the firearm or sights.
- After installation, doublecheck that the sights are securely mounted and aligned.

### **Usage**

- Familiarize yourself with the operation of the sights before use. Practice in a safe environment.
- In lowlight conditions, the tritium illumination will provide visibility. Ensure that the sights are clean and unobstructed.
- Use the contrasting colors of the sights to enhance target acquisition. The colored ring will aid in quick focus on the front sight.
- Maintain a proper grip and stance while aiming to maximize the effectiveness of the sights.

## **Disposal Instructions**

- Dispose of the HYPER BRIGHT FIXED PISTOL SET IWI in accordance with local regulations.
- Do not throw the sights in regular trash. Contact your local waste management authority for proper disposal methods.

- If the tritium vials are damaged, consult a professional for safe disposal.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the HYPER BRIGHT FIXED PISTOL SET IWI, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for any safetyrelated questions.

By following these safety instructions, you can ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL SET IWI. Always prioritize safety and responsibility when handling firearms.
