

HYPER BRIGHT FIXED PISTOL SET TAURUS GX4 - HYPER BRIGHT FIXED PISTOL SET TAURUS GX4 G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET TAURUS GX4

Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET TAURUS GX4. This product is designed to provide you with the brightest handgun sight available, ensuring optimal visibility in various lighting conditions. To ensure safe usage and compliance with EU regulations, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a handgun sight.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use can lead to accidents or injury.
 - Low light conditions may still pose risks; ensure proper handling of the firearm.
- **Avoiding Hazards:**
 - Always ensure the firearm is unloaded when installing or adjusting the sights.
 - Do not attempt to modify the sights or the firearm.
 - Use the sights only in accordance with the manufacturer's instructions.
- **Age and Audience Specific Warnings:**
 - This product is not intended for individuals under the age of 18.
 - Ensure that inexperienced users are supervised by a qualified adult when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Remove the existing sights if applicable, following the manufacturer's instructions.
- Align the HYPER BRIGHT sights with the sight dovetail on the firearm.
- Secure the sights using the appropriate tools, ensuring they are tightly fitted.
- Verify that the sights are properly aligned before use.

2. Usage:

- Familiarize yourself with the sighting system before engaging in target practice or shooting.
- Use the front sight to align your shot, ensuring contrasting colors are visible.
- Practice in various lighting conditions to understand how the sights perform.
- Always maintain a safe shooting environment and follow all firearm safety protocols.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SET TAURUS GX4, please refer to the manufacturer's website or contact customer support. Ensure you have the product details and any relevant information available for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your HYPER BRIGHT FIXED PISTOL SET TAURUS GX4. Thank you for your attention to safety.
