

HYPER BRIGHT FIXED PISTOL SET TAURUS GX4 - HYPER BRIGHT FIXED PISTOL SET TAURUS GX4 O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET TAURUS GX4

Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET TAURUS GX4. This safety instruction guide is designed to ensure your safe and effective use of the product. Please read this guide carefully to understand how to operate and maintain your pistol sights responsibly.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the sights.
- Store the product in a dry, safe place, away from children and unauthorized users.
- Regularly check the sights for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and use.
- Use the product only for its intended purpose.

Specific Safety Precautions for Use

- **Low Light Conditions:** The sights are designed for low light visibility. Ensure your environment is safe to handle firearms in such conditions.
- **Target Acquisition:** Focus on the front sight for quicker target acquisition. Always be aware of your surroundings while aiming.
- **Shooting Practice:** Regular practice is essential for familiarizing yourself with the sights and improving accuracy.
- **Weather Conditions:** The sights are reliable in various weather conditions. However, avoid exposing the firearm to extreme environments for prolonged periods.
- **Vulnerable Groups:** Keep the product out of reach of children and individuals who may not understand safe firearm handling.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Sights:** If applicable, carefully remove any existing sights from the firearm.
3. **Install New Sights:**
 - Align the rear sight to the designated slot on the firearm.
 - Securely fasten the rear sight using the provided screws.
 - Repeat the process for the front sight, ensuring it is properly aligned.
4. **Check Alignment:** Once installed, verify that both sights are aligned correctly for optimal aiming.

Usage

- **Always Aim Safely:** Point the firearm in a safe direction at all times.
- **Engage Safety Mechanisms:** Use the firearm's safety features whenever necessary.
- **Practice Regularly:** Regular practice sessions will enhance your proficiency with the sights and overall firearm handling.

Disposal Instructions

- Dispose of the product responsibly. Do not throw it in regular household waste.
- Check local regulations for proper disposal methods for firearm accessories.

- Consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or concerns regarding the HYPER BRIGHT FIXED PISTOL SET TAURUS GX4, please refer to the appropriate customer service channels or your local firearm regulations.

By following this safety instruction guide, you can ensure the safe and effective use of your HYPER BRIGHT FIXED PISTOL SET TAURUS GX4. Thank you for prioritizing safety.
