

# MEPRO FT BULLSEYE PISTOL REAR RUGER MARK III - MEPRO FT BULLSEYE PISTOL REAR RUGER MARK III/MARK IV R

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

# MEPRO FT Bullseye Pistol Rear Sight Safety Instruction Guide

## Introduction

Thank you for choosing the Mepro FT Bullseye Pistol Rear Sight for your Ruger Mark III or Mark IV. This guide provides important safety information and instructions for the safe use and installation of your new sight. Please read this guide carefully to ensure safe operation and to maximize the performance of your sight.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Mepro FT Bullseye sight by following all instructions and safety precautions outlined in this guide.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a notice regarding the Mepro FT Bullseye sight, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations. Verify that the product is genuine and has been sourced from an authorized dealer.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the product packaging or documentation for the appropriate contact point.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on any safety concerns related to this product.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the sight.
- Use the sight only on compatible firearms as specified in the product description.
- Do not modify the sight or the firearm in any way that could compromise safety.
- Avoid using the sight in extreme weather conditions that may affect visibility or performance.
- Regularly inspect the sight for any damage or wear. If any issues are found, cease use immediately and consult a professional.
- Always use appropriate eye protection when shooting.
- Practice safe handling and storage of firearms and ammunition at all times.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing rear sight from the firearm according to the manufacturer's instructions.
- Align the Mepro FT Bullseye sight with the mounting dovetail on the firearm.
- Secure the sight in place, ensuring it is firmly attached and properly aligned.
- Check for any movement or looseness before using the firearm.

### 2. Usage:

- Familiarize yourself with the sight's features and operation before heading to the range.
- Practice aiming with the sight in a controlled environment to build confidence.
- When aiming, focus on the central point of the sight for improved accuracy.
- Maintain a proper shooting stance and grip to ensure stability.

## **Disposal Instructions**

- Dispose of the sight responsibly at the end of its life cycle.
- Follow local regulations regarding the disposal of electronic and optical devices.
- If applicable, remove any batteries or electronic components before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the Mepro FT Bullseye sight, please refer to the product packaging or documentation for contact information. Your safety and satisfaction are our top priorities.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the Mepro FT Bullseye Pistol Rear Sight!
