

# MEPRO FT BULLSEYE FRONT SIGHT - MEPRO FT BULLSEYE PISTOL FRONT SIG P365 G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

# MEPRO FT BULLSEYE FRONT SIGHT SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Mepro FT Bullseye™ Front Sight for your Sig Sauer P365. This sight is designed to enhance your shooting experience by providing fast and intuitive aiming capabilities. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Use appropriate eye and ear protection while shooting.
- Store the firearm and sight in a secure location, away from children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- Always follow the manufacturer's instructions for your firearm and the Mepro FT Bullseye™ sight.

## Specific Safety Precautions for Use

- The Mepro FT Bullseye™ sight is designed for use with the Sig Sauer P365 only. Do not attempt to use it with other firearms.
- Avoid exposing the sight to extreme temperatures or harsh chemicals, as this may affect its performance.
- Do not modify or disassemble the sight. Any unauthorized modifications may void the warranty and compromise safety.
- If you experience any issues with the sight, cease use immediately and consult a qualified gunsmith or contact customer support.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Before installation, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove Old Sight:** If applicable, carefully remove the existing front sight from your firearm using the appropriate tools.
3. **Install the Mepro FT Bullseye™ Sight:**
  - Align the sight with the mounting slot on the firearm.
  - Securely fasten the sight in place, ensuring it is firmly attached and stable.
4. **Check Alignment:** After installation, check the alignment of the sight to ensure it is centered and properly positioned.

### Usage

- Familiarize yourself with the sight's features before using it at the range.
- Practice aiming and shooting with the sight in a controlled environment.
- Adjust your grip and stance as needed to accommodate the sight's lowprofile design.
- Use the fiber optic feature during daylight and the tritium feature in low light conditions for optimal performance.

## Disposal Instructions

- When the Mepro FT Bullseye™ sight reaches the end of its life or is no longer functional, dispose of it in

accordance with local regulations.

- Do not dispose of the sight in regular household waste. Check with local authorities for proper disposal methods for electronic and optical devices.

## Contact Information for Further Support

For further assistance or inquiries about the Mepro FT Bullseye™ sight, please consult the manufacturer or your place of purchase. Ensure you have the product details and any relevant information ready for a smooth support experience.

## Conclusion

Your safety and satisfaction are our top priorities. By following these guidelines and instructions, you can maximize the performance of your Mepro FT Bullseye™ sight while ensuring a safe shooting experience. Thank you for your attention to safety and for choosing our product.
