

MEPRO EVERGREEN PISTOL SET IWI MASADA - EVERGREEN PISTOL SET IWI MASADA G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

MEPRO EVERGREEN PISTOL SET Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO EVERGREEN PISTOL SET. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your product. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- **Product Safety:** The MEPRO EVERGREEN PISTOL SET is designed for safe use. Always follow the safety guidelines to minimize risks.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be provided. You may receive free remedies for any dangerous products.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate platform for timely updates.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the sight.
- Avoid using the sight in extreme weather conditions that may affect visibility.
- Regularly inspect the sight for any damage or wear that may compromise safety.
- Do not attempt to modify the sight in any way, as this could lead to malfunction or injury.
- Ensure that the sight is securely mounted before use to prevent it from coming loose during operation.
- Keep the sight away from children and unauthorized users.

Instructions for Installation and Usage

Installation Instructions

1. Unloading the Firearm:

- Ensure the firearm is completely unloaded before beginning installation.

2. Mounting the Sight:

- Locate the mounting area on the firearm where the sight will be attached.
- Align the sight with the mounting area.
- Securely fasten the sight using the appropriate screws or mounting hardware provided.

3. Check Alignment:

- Verify that the sight is aligned correctly with the firearm's barrel.
- Make any necessary adjustments to ensure proper alignment.

4. Final Inspection:

- Doublecheck that all screws and mounts are tight and secure.

- Ensure there are no obstructions that could interfere with the sight's functionality.

Usage Instructions

- **Target Acquisition:**

- Use the illuminated sight for both stationary and moving targets.
- Ensure that the sight is properly illuminated for optimal visibility during use.

- **Maintenance:**

- Regularly clean the sight to remove dust and debris.
- Inspect the LED light source to ensure it is functioning correctly.

- **Storage:**

- Store the firearm and sight in a secure location, away from unauthorized users.
- Use a protective case to prevent damage when not in use.

Disposal Instructions

- Dispose of the MEPRO EVERGREEN PISTOL SET in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Contact local waste management authorities for guidance on the proper disposal of electronic components.

Contact Information for Further Support

For any questions or concerns regarding the MEPRO EVERGREEN PISTOL SET, please refer to the designated EU contact point for assistance. Your safety and satisfaction are our top priorities.

Thank you for choosing MEPROLIGHT. When quality counts, trust in our products to support your needs.
