

MEPRO EVERGREEN PISTOL SET IWI MASADA - EVERGREEN PISTOL SET IWI MASADA O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

MEPRO EVERGREEN PISTOL SET Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO EVERGREEN PISTOL SET. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this guide carefully before using the product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm in a secure location, out of reach of children and unauthorized users.
- Ensure that you are using the correct ammunition for your firearm.
- Regularly inspect your firearm and sights for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and use.
- Always wear appropriate eye and ear protection when shooting.

Specific Safety Precautions for Use

- The Mepro Evergreen™ sight is designed for use in both daytime and nighttime conditions. Ensure that you understand how to adjust the sight for optimal visibility in different lighting conditions.
- Do not modify the Mepro Evergreen™ sight or any part of your firearm. Unauthorized modifications can lead to malfunctions and unsafe conditions.
- If you experience any issues with the sight, such as flickering or failure to illuminate, do not use the firearm until the issue has been resolved.
- Be aware of your surroundings and ensure that you have a clear line of sight to your target before shooting.
- Use caution when handling your firearm, especially when loading or unloading.

Instructions for Installation and Usage

1. Installation of the Mepro Evergreen™ Sight:

- Ensure that your firearm is unloaded before beginning installation.
- Follow the manufacturer's instructions for mounting the sight onto your firearm.
- Securely tighten all mounting screws to ensure stability during use.
- Test the sight alignment by aiming at a target and making necessary adjustments.

2. Usage of the Mepro Evergreen™ Sight:

- Familiarize yourself with the sight's features, including the illuminated dots.
- Adjust the brightness of the LED light source as needed for the current lighting conditions.
- Practice target acquisition with the sight to improve accuracy.

3. Maintenance:

- Regularly clean the sight and firearm according to the manufacturer's guidelines.
- Check the battery of the LED light source periodically and replace it as needed to ensure optimal performance.

Disposal Instructions

- Dispose of the Mepro Evergreen™ sight and any associated materials in accordance with local regulations.
- Do not dispose of electronic components in regular household waste. Check for local electronic recycling programs.

Contact Information for Further Support

For any questions or concerns regarding the MEPRO EVERGREEN PISTOL SET, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety and for choosing the MEPRO EVERGREEN PISTOL SET. Enjoy your shooting experience responsibly!
