

# MEPRO EVERGREEN PISTOL SET IWI MASADA - EVERGREEN PISTOL SET IWI MASADA Y RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

# MEPRO EVERGREEN PISTOL SET Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO EVERGREEN PISTOL SET. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully before using the sight, as it contains important information regarding safety, installation, usage, and disposal.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the sight.
- Do not look directly into the LED light source when the sight is activated to avoid eye injury.
- Keep the sight away from children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear before each use.
- Ensure that the sight is compatible with your firearm model before installation.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

- Use the sight only for its intended purpose as described in this manual.
- Avoid using the sight in extreme weather conditions that may impair visibility or functionality.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not attempt to modify or disassemble the sight. Any unauthorized modifications may result in malfunction or injury.
- If the sight malfunctions or shows signs of damage, discontinue use immediately and seek professional assistance.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if applicable).

#### 2. Mounting the Sight:

- Locate the mounting area on your firearm.
- Align the sight with the mounting area and secure it according to the manufacturer's instructions.
- Ensure that the sight is firmly attached and does not wobble.

#### 3. Adjusting the Sight:

- Activate the sight according to the manufacturer's instructions.
- Adjust the brightness of the LED light as needed for optimal visibility.
- Test the sight for accuracy by aiming at a stationary target.

### Usage

- Activate the sight before aiming at your target.
- Use the illuminated dots to assist in target acquisition.
- Regularly practice with the sight to become familiar with its operation and improve accuracy.

## **Disposal Instructions**

- Dispose of the sight in accordance with local regulations regarding electronic waste.
- Do not dispose of the sight in regular household waste.
- If the sight contains batteries, ensure that they are removed and disposed of properly.

## **Contact Information for Further Support**

For any questions or concerns regarding the MEPRO EVERGREEN PISTOL SET, please refer to the official website or contact your local distributor for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others are paramount. Always handle your firearm and accessories responsibly.
