

MEPRO EVERGREEN PISTOL SET IWI MASADA - EVERGREEN PISTOL SET IWI MASADA O RING/BLANK

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

Consumer Safety Instruction Guide for MEPRO EVERGREEN PISTOL SET IWI MASADA

Introduction

Thank you for choosing the MEPRO EVERGREEN PISTOL SET IWI MASADA. This guide provides important safety instructions to ensure the safe use and maintenance of your product. Please read this manual carefully before using the product and keep it for future reference.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is stored in a secure location, out of reach of children and unauthorized users.
- Use only the recommended accessories and attachments for your firearm.
- Regularly inspect the firearm and its components for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- In case of any malfunction or unexpected behavior, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the Mepro Evergreen sight is properly installed before use.
- Always check the battery status of the illuminated sight before heading out for use, ensuring it is functioning correctly.
- If the sight appears damaged or malfunctioning, do not use it and contact a qualified technician for assessment.
- Avoid exposing the sight to extreme temperatures, moisture, or corrosive substances, as this can affect performance.
- Use the illuminated sight only as intended. Do not modify or attempt to repair it yourself.
- Be aware of your surroundings and ensure a clear shooting area when using the firearm equipped with the sight.

Instructions for Installation and Usage

1. Installation of the Mepro Evergreen Sight:

- Ensure the firearm is unloaded before installation.
- Remove the existing sight if applicable, following the manufacturer's instructions.
- Align the Mepro Evergreen sight with the mounting surface.
- Secure the sight using the provided screws or mounting hardware.
- Verify that the sight is firmly attached and adjust as necessary for accurate alignment.

2. Usage of the Mepro Evergreen Sight:

- Turn on the illuminated sight using the designated switch.
- Adjust the brightness settings according to the lighting conditions.
- Aim at the target and use the illuminated dots for improved target acquisition.
- Practice regularly to familiarize yourself with the sight's functionality and improve accuracy.

Disposal Instructions

- Dispose of the Mepro Evergreen sight in accordance with local regulations regarding electronic waste.
- Do not dispose of the sight or its components in regular household waste.
- Remove batteries before disposal and recycle them according to local battery recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the MEPRO EVERGREEN PISTOL SET IWI MASADA, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for more information.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your MEPRO EVERGREEN PISTOL SET IWI MASADA. Always prioritize safety and responsible firearm handling. Thank you for choosing Meprolight, where quality counts.
