[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

Tru Dot FIXED SHOTGUN FRONT REMINGTON 870, 1100, 11 87 (6 48 THREAD) BEAD G Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot Fixed Shotgun Front Sight for your Remington 870, 1100, or 1187. This product is designed to enhance your shooting experience with improved accuracy under lowlight conditions. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Never place your finger on the trigger until you are ready to shoot.
- Be aware of your target and what lies beyond it.
- Use appropriate protective gear, including eye and ear protection.
- Only use the product as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Ensure the sight is properly installed before use.
- Regularly inspect the sight for damage or wear.
- Avoid using the product in conditions that may impair visibility or safety.
- Do not attempt to modify the sight in any way that is not approved by the manufacturer.
- If you experience any issues with the product, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front sight from the shotgun using appropriate tools.
- Align the Tru Dot sight with the mounting area and secure it in place with minor modifications if necessary.
- Ensure that the sight is firmly attached and does not wobble.
- Doublecheck that the sight is aligned correctly for optimal accuracy.

2. Usage

- Familiarize yourself with the sighting system before using it in the field.
- Practice shooting in a safe environment to get accustomed to the sight.
- Adjust your shooting stance and grip as needed to accommodate the new sight.
- Always verify that the sight is functioning correctly before heading out to shoot.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where applicable.
- Ensure that any hazardous materials are disposed of safely and responsibly.

Contact Information for Further Support

For safety inquiries or support regarding your Tru Dot Fixed Shotgun Front Sight, please refer to the manufacturer's contact points provided on the product packaging or their official website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Tru Dot Fixed Shotgun Front Sight. Always prioritize safety and compliance with local regulations when using firearms. Thank you for your commitment to safe shooting practices.
