

# Oryx Chassis - Sportsman - Mossberg MVP - SA - RH - .223 - GRY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

# Oryx Chassis Sportsman User Safety Instruction Guide

## Introduction

Thank you for choosing the Oryx Chassis Sportsman Mossberg MVP. This guide provides essential safety instructions to ensure the safe use and maintenance of your chassis. Please read this guide carefully before using the product to understand its features, potential hazards, and the necessary precautions.

## General Safety Guidelines

- Ensure that you are familiar with the operation and maintenance of firearms before using this chassis.
- Always follow the manufacturer's instructions for your rifle and the chassis.
- Keep the chassis and firearm out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Always handle firearms with care and treat them as if they are loaded.
- If you experience any issues with the chassis, discontinue use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- **Firearm Compatibility:** Ensure that your Mossberg MVP rifle is compatible with the Oryx Chassis. Refer to the manufacturer's specifications for compatibility.
- **Proper Fit:** Adjust the buttstock to achieve a proper fit. An improper fit can affect your accuracy and control.
- **Grip and Accessories:** Only use AR15 grips and MLoc accessories that are compatible with the chassis. Ensure that they are securely attached before use.
- **Shooting Environment:** Always shoot in a safe and controlled environment. Be aware of your surroundings and ensure that the area is clear of bystanders.
- **Safety Gear:** Wear appropriate safety gear, including eye and ear protection, when using the chassis and firearm.
- **Transporting the Chassis:** When transporting the chassis, ensure that it is securely stored and that the firearm is unloaded.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Remove the factory stock from the Mossberg MVP according to the manufacturer's instructions.
- Align the rifle with the Oryx Chassis, ensuring that it fits securely.
- Follow the manufacturer's instructions to attach the chassis to the rifle.
- Check that all screws and attachments are tightened properly.

### 2. Usage:

- Adjust the buttstock to your preferred length of pull for a comfortable fit.
- Attach any desired AR15 grips and MLoc accessories as needed.
- Before shooting, ensure that the chassis is properly set up and that all components are secure.
- Take time to familiarize yourself with the new setup before engaging in any serious shooting activities.

## **Disposal Instructions**

- Dispose of the chassis in accordance with local regulations regarding metal and electronic waste.
- If the chassis is damaged beyond repair, ensure that it is destroyed to prevent unauthorized use.
- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety or product issues, please contact the manufacturer or refer to the product documentation. It is essential to have an EUbased contact for safety inquiries, which can provide assistance and information as needed.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your Oryx Chassis Sportsman Mossberg MVP. Always stay informed about safety practices and be proactive in maintaining your equipment. Thank you for choosing our product, and happy shooting!
