

# Oryx Chassis - Sportsman - Mossberg MVP - SA - RH - .308 - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

# Oryx Chassis Sportsman Mossberg MVP Safety Instructions

## Introduction

Thank you for choosing the Oryx Chassis Sportsman for your Mossberg MVP rifle. This safety instruction guide provides essential information to ensure the safe use and maintenance of your chassis. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the chassis is compatible with your rifle model before installation.
- Always follow local laws and regulations regarding firearm use and modifications.
- Store the chassis and your rifle in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis for any signs of damage or wear before each use.
- Report any unsafe conditions or accidents to the relevant authorities immediately.

## Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the muzzle in a safe direction.
- Use appropriate eye and ear protection when using your rifle.
- Ensure that the area around you is clear of obstructions and bystanders before shooting.
- Do not exceed the manufacturer's specifications for ammunition and accessories.
- Be cautious when using the adjustable buttstock to avoid pinching or injury.
- Check the compatibility of AR15 grips and MLoc accessories before installation.

## Instructions for Installation and Usage

### 1. Installation of the Chassis:

- Ensure that your rifle is unloaded and pointed in a safe direction.
- Remove the factory stock from your Mossberg MVP following the manufacturer's instructions.
- Align the Oryx Chassis with the rifle receiver and secure it using the provided screws. Ensure all screws are tightened to the manufacturer's specifications.
- Install the adjustable buttstock according to the instructions included with the chassis.
- Attach any additional accessories, such as grips or rails, ensuring compatibility.

### 2. Usage:

- Once installed, familiarize yourself with the adjustments available on the chassis, including the buttstock and grip positions.
- Adjust the buttstock to fit your shoulder comfortably, ensuring a secure and stable shooting position.
- Practice proper shooting techniques and maintain control of the rifle at all times.
- Regularly check that all components are secure and functioning correctly before each use.

## Disposal Instructions

- Dispose of the chassis in accordance with local regulations for metal recycling.
- Ensure that all components are removed from the chassis before disposal.
- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the contact information provided by your retailer or manufacturer. It is essential to have access to resources for assistance and to report any safety concerns.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Oryx Chassis Sportsman and stay safe!
