The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Introduction

Thank you for choosing the Oryx Chassis Sportsman CZ 457 RH. This guide provides essential safety instructions to ensure the safe use of your chassis. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that all components are compatible with your CZ 457 rifle before installation.
- Always handle firearms with care and follow standard safety practices.
- Store the chassis in a safe location, away from children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- Use only recommended accessories and parts to avoid safety hazards.
- Follow all local laws regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the chassis.
- Do not use the chassis in wet or humid conditions to prevent corrosion.
- Ensure that all screws and fittings are tightened securely before use.
- Do not exceed the weight limit for accessories mounted on the chassis.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use appropriate eye and ear protection while shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the factory stock from your CZ 457 rifle.
- Align the chassis with the rifle's action and secure it using the provided screws.
- Attach the adjustable buttstock, ensuring it is locked in place.
- Install any desired accessories, such as grips or rails, according to the manufacturer's instructions.

2. Usage:

- Adjust the buttstock to fit your shoulder comfortably.
- Take a stable shooting position and align your sight picture.
- Keep your finger off the trigger until ready to shoot.
- After shooting, clean the chassis according to the maintenance guidelines.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- If the chassis is damaged beyond repair, contact your local waste management facility for disposal options.
- Do not dispose of the chassis in regular household waste.
