The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman for your Ruger 10/22 rifle. This guide provides essential safety information and instructions to ensure the proper use and maintenance of your chassis. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the chassis is compatible with your specific rifle model before installation.
- Always handle firearms with care and respect, following all safety protocols.
- Keep the chassis and all related components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- If you notice any issues, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Use only AR15 grips and MLoc accessories that are compatible with the chassis.
- Ensure that the adjustable buttstock is securely locked in place before use.
- Always use the chassis in a safe and controlled environment, away from populated areas.
- When shooting, wear appropriate eye and ear protection.
- Be aware of your surroundings and ensure a clear line of sight before firing.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded before beginning installation.
- Remove the factory stock from the Ruger 10/22 by following the manufacturer's instructions.
- Align the chassis with the receiver of the rifle.
- Secure the chassis to the rifle using the provided screws and tools, ensuring a tight fit.
- Attach the adjustable buttstock, ensuring it is locked in place.
- Install your chosen AR15 grip and any MLoc accessories as desired.

2. Usage

- Before shooting, adjust the buttstock to fit your shoulder comfortably.
- Ensure the chassis is free of obstructions before loading the firearm.
- Take a stable shooting position and align your sight picture.
- After use, clean the chassis and ensure it is stored safely.

Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste; check for recycling options or hazardous waste disposal facilities.
