

Oryx Chassis - Sportsman - Howa Mini - Youth - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Howa Mini Youth RH

Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman Howa Mini Youth RH. This guide provides essential safety instructions to ensure the safe and effective use of your chassis. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure that you are using the chassis in a safe environment.
- Keep the chassis out of reach of children and unauthorized users.
- Inspect the chassis regularly for any signs of damage or wear.
- Always follow local laws and regulations regarding firearm usage.
- Use the chassis only for its intended purpose.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Always check that the safety mechanism of the rifle is engaged when not in use.
- Do not modify the chassis or any components, as this may compromise safety and performance.
- Use only compatible accessories and attachments specified for the Oryx Chassis.
- When shooting, maintain a proper shooting stance and grip to enhance stability and control.

Instructions for Installation and Usage

1. Installation of the Chassis

- Ensure that your workspace is clean and free from obstructions.
- Remove the factory stock from your Howa Mini rifle by following the manufacturer's instructions.
- Align the rifle action with the Vshaped bedding of the Oryx Chassis.
- Secure the rifle in place using the provided screws, ensuring a snug fit without overtightening.
- Attach the adjustable buttstock to achieve the desired length of pull.

2. Usage of the Chassis

- Before shooting, ensure all components are securely attached.
- Adjust the buttstock to fit your shoulder comfortably for improved accuracy.
- Select and attach your preferred AR15 grip and MLoc accessories as needed.
- Always use a proper shooting stance and maintain a firm grip on the rifle.

3. PostUse Care

- After use, clean the chassis and rifle according to the manufacturer's recommendations.
- Store the chassis in a secure location, away from children and unauthorized users.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- If the chassis is damaged beyond repair, contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of your Oryx Chassis, please refer to the manufacturer's website or contact your local dealer for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Oryx Chassis Sportsman Howa Mini Youth RH. Always prioritize safety and adhere to all guidelines for optimal performance. Thank you for your attention to these important safety measures.
