# Oryx Accessories Side Panels Safety Instruction Guide

## Introduction

Thank you for choosing the Oryx Accessories Side Panels in Flat Dark Earth (FDE). These side panels are designed to enhance the appearance of your ORYX chassis while ensuring safety and compliance with EU regulations. This guide provides essential safety instructions and information to ensure the safe use and installation of your product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Inspect the side panels for any damage before installation. Do not use damaged panels.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any issues or concerns regarding safety, report them to the relevant authorities.
- Stay informed about any product recalls or safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for installation and usage.
- Avoid exposing the side panels to extreme temperatures or harsh chemicals, as this may affect their integrity and performance.
- Ensure that all components are securely attached before using your ORYX chassis.
- Be cautious when handling tools during installation to prevent injury.
- Do not attempt to modify or alter the side panels in any way, as this may compromise safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation (e.g., screwdriver, wrench).
- Ensure you have a clean, flat workspace to perform the installation.

### 2. Installation Steps:

- Remove any existing side panels from your ORYX chassis if applicable.
- Align the new FDE side panels with the designated mounting points on the chassis.
- Secure the side panels using the appropriate screws or fasteners provided with the product.
- Doublecheck that all screws are tightened properly to ensure stability.

### 3. Usage:

- Once installed, ensure that the side panels do not obstruct any functional components of the ORYX chassis.
- Regularly inspect the side panels for signs of wear or damage during routine maintenance of your ORYX.

## Disposal Instructions

- Dispose of the side panels in accordance with local regulations for plastic waste.
- Do not incinerate the panels, as this may release harmful substances into the environment.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the Oryx Accessories Side Panels, please refer to the contact information provided with your product packaging or visit the manufacturer's website for additional support.
