# Tactical MLOK Picatinny Rail Safety Instruction Guide

## Introduction

Thank you for choosing the Tactical MLOK Picatinny Rail. This product is designed to enhance your tactical equipment by providing a secure mounting solution. To ensure safe and effective use, please read this safety instruction guide carefully. It contains essential information regarding product safety, installation, use, and disposal.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the Tactical MLOK Picatinny Rail is compatible with your equipment before installation.
- Use only the hardware provided with the product for installation. Do not substitute with other materials.
- Avoid overtightening screws or bolts, as this may damage the rail or your equipment.
- Do not modify the product in any way, as this may compromise its safety and functionality.
- Use the product only for its intended purpose as specified by the manufacturer.

## Instructions for Installation and Usage

### Installation

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any other tools specified in the product manual.
2. **Identify Mounting Location:** Choose a suitable location on your MLOK compatible system for the rail.
3. **Align the Rail:** Position the Tactical MLOK Picatinny Rail against the mounting surface, ensuring proper alignment.
4. **Secure the Rail:**
  - Insert the provided screws into the designated holes.
  - Tighten each screw gradually, alternating between them to ensure even pressure.
  - Be careful not to overtighten, as this may strip the threads or damage the rail.
5. **Check Stability:** After installation, check that the rail is secure and does not move when pressure is applied.

### Usage

- Attach accessories to the Picatinny Rail only after ensuring that they are compatible and securely fastened.
- Regularly check the tightness of the rail and accessories to ensure they remain secure during use.
- If you notice any signs of wear or instability, discontinue use immediately and inspect the product.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in household waste. Instead, use designated recycling facilities where

available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact information included with your product packaging or visit the manufacturer's website.
