Remington FIELD STOCK Safety Instruction Guide

Introduction

Thank you for choosing the Remington 700 SA Field Stock FDE. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document thoroughly before using the stock and keep it for future reference.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure you are familiar with local laws and regulations regarding firearm usage and modifications.
- Inspect your stock regularly for any signs of wear or damage.
- Use only compatible accessories with the stock to avoid malfunctions.
- Ensure that all modifications comply with safety standards and regulations.
- Keep the stock and all related components out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Aluminum vblock bedding system:** Ensure that the bedding system is properly installed to avoid misalignment, which can affect accuracy.
- **Freefloating barrel:** Avoid placing pressure on the barrel when the rifle is in use, as this can impact precision.
- **Adjustable buttstock:** Adjust the buttstock to a comfortable position before shooting to prevent discomfort or injury during extended use.
- **Sling swivel studs:** Use only compatible slings and accessories to prevent accidental detachment during use.
- **AICS magazine compatibility:** Ensure that the magazine is securely attached before firing to prevent ammunition misfeeds.

Instructions for Installation and Usage

1. Installation:

- Remove the existing stock from your Remington 700 SA rifle.
- Align the aluminum vblock bedding system with the rifle's action.
- Secure the stock using the provided screws, ensuring a tight fit without overtightening.
- Attach the adjustable buttstock and set it to your preferred length.

2. Usage:

- Before using the rifle, ensure that it is unloaded and pointed in a safe direction.
- Check the alignment of the barrel and stock to ensure proper function.
- Use the adjustable buttstock to achieve a comfortable shooting position.
- When using accessories, ensure they are properly mounted using the sling swivel studs and MLOK forend.
- Regularly check the stock and accessories for secure attachment during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- Consider recycling options for aluminum components where applicable.
